

Will OptomCAS let me submit a Curriculum Vitae (CV) as part of my application?

A **Curriculum Vitae (CV)** is a summary of your awards, achievements and work experience relevant to a professional graduate program application.

These elements are listed in a CV:

- Undergrad College
- Degree
- Major
- Date of Graduation
- College Major
- Academic Background
 - Undergrad school with major/minors
 - Graduate work/degree(s)
 - Academic Honors and Awards
- Academic/Teaching Experience
- Research/Scholarly Activities
- Academic/Research Interests
- Noteworthy Shadowing Experience
- Technical and Specialized Skills
- Volunteerism/Community Service
 - Academic
 - Community
- Affiliations/Memberships
- Positions of Leadership
- SCCO Activities Attended (Open houses, Workshops...etc)
- Employment Experience if Relevant to Service
- Hobbies, Interests

OptomCAS will have a section provided to list a selection of the above.

The interview panelists will see your CV and the essays you submitted with your application and also an onsite essay (a brief, one page essay you will write after your arrival). The CV plays an important role in prompting the panelists to ask questions related to its content.
