

# Optometry Admissions Events

APR  
**6**  
2019

## Spring Admissions Open House

Prospective optometry students and guests of all interest levels are encouraged to join us for our Spring Admissions Open House. Attendees will learn more about the optometry profession and admissions process, explore the MBKU campus and meet the SCCO admissions team as well as current students.

JUL  
**20**  
2019

## Summer Admissions Workshop

This workshop provides streamlined information for prospective students applying in the next 1-2 admissions cycles. Students will gain insight into the application process, learn about SCCO's optometric program and much more. Guests are offered concurrent sessions that will provide information to support their potential future optometrist.

NOV  
**9**  
2019

## Pre-Optometry Club Day

This program is designed for undergrad pre-optometry clubs, but individuals without a club are welcome to join as well. Guests will get hands-on experience with the VR BIO Simulation Technology, as well as campus tours and Q&A tables led by Student Ambassadors.

**Questions?** The admissions office is available to answer questions and is happy to provide tours by appointment.

Call us at **714.992.7827** or email [odadmissions@ketchum.edu](mailto:odadmissions@ketchum.edu).
